

Meeting start at 6:03

Robert seconds Jamie approves agenda Robyn

Comments for the chair last board meeting for the term Emma will be taking my position and

Robert wants to stay on

We'll elect a new staff rep

Trust staff to facilitate with volunteers to get new board reps

Jamie might be staying on in Bylaw Editor in Chief is entitled to a spot we can talk if everyone wants to stay on I'm really proud of what we've done this year I've seen a vast improvement I've had a great time on as VP ops

This is my last report I'm glad to have served this year was more productive than last year still a long way to go but it was progress

Nathan Fung will be back as News Editor

Andrew Mcwhinney will be Opinion

Jonah Dunch will be Arts

Richard Bagan will be photo

We will be circulating our final issue on Thursday I recommend we look into a different printer this other company uses a different process but you can look into that

John question

Is there no van rental budget

Jamie

In the past there has been but we haven't used it

CSL students have completed their projects it was an interesting experience but I probably wouldn't recommend it because it took a lot of edits

Jamie

To use the benefit of supervising students in an academic program is great for grad school applications

April post count was 160

And we'll be having a volunteer event on Sunday the 22nd and we gave a half page for free drink tickets

Robyn

What's the standard for transition

Jamie

Report is due on April 15th and then 1 on 1 stuff after

Robyn

Online

March was a great month

No new business no old business

Adding 6b on board me

Circulation in Johns year we rented a van and drove it around I was 24 and we could still rent the van

Robyn

Was that pre independence

John

This was 2010/11

We had 35 boxes each month this year

Rental sounds reasonable

You should check if Victoria has a smart car

Karen

I know pogo would like to reach out to students maybe they would trade you ads for cars maybe print an ad they're daily rate is \$50

I'm interested in positions that don't change with the academic year

We'll need new for member at large

If the outgoing eic doesn't take the spot it goes vacant

I think a decision by the end of this month I'm happy to handle this before April 20th we can move on filling those seats

I'm happy to stay on as either continuity or community and I'm happy to stay on if we have to fill spots

Karen

I've been kicking around so I feel like we can do some shifting and I've had some conversation with Alumni lillbuen the trick with him is that he can't do it until the fall but it feels like we don't need a full board if me leaving opens up space that feels like a good suggestion I think my time is over

Robyn

You've been a sound voice of reason we appreciate and we'll continue to tap you

We'll do a kick-off meeting in May after staff and volunteer elections

Evan

This is my last fall term but I love the gateway probably the volunteer rep is taken but any spots is good with

Lee

I'm happy to stay on the board if I can't come anymore I'll let you know

Jonn

I'm ok with staying on I could continue staying on

Alex

I'm willing to continue but I understand other folks might want to do this as well

Jamie

I'm lukewarm and trying to focus on academics I'll let you know within the week

What that leaves us with oumar as eic two volunteer reps alex in continuity one more elected continuity

I'm happy to work with you Oumar to initiate that start up meeting in May and we'll

I'll make sure we have a general meeting for volunteers to vote in two representatives

Mid May sounds like a good time

Put out an advertisement for student at large position on the board

Board meeting ends at 6:52
